

## Accidental Death & Dismemberment

These standards are provided to assist the insurer in filing forms and rates. They are not intended to be all-inclusive, and are a work in progress. The standards are a brief synopsis and do not contain all requirements or exceptions. All citations should be reviewed. **Insurers are responsible for assuring that forms and rates submitted comply with Utah Insurance Code and Rules, UCA § 31A-21-201(2). If submitted filings are found to be out of compliance will be referred to our Market Conduct Division for review and possible action.**

Filing Procedures		
Filing of Forms	31A-21-201 R590-220	Forms are accepted on a File and Use basis. It is the insurers responsibility to be in compliance with Utah Code and Rules. A filing that does not comply with code, rules, or standards will be rejected, and is not considered filed with the department.

Company Name	31A-21-201, 301(1) & 311	The exact name of the insurer and its state of domicile must appear conspicuously in the policy.
Definitions	31A-1-301 R590-126-3	Definitions used in Utah Code and Rules. All Accident and Health forms must comply with these definitions.
Dependent Coverage	31A-22-718	No policy that provides coverage to children may deny eligibility for coverage to a child solely because the child does not reside with the insured or solely because the child is solely dependent on a former spouse of the insured rather than on the insured. A child who does not reside with the insured may be excluded on the same basis as children who do reside with the insured.
Endorsement or Rider	31A-21-106(2) R590-126-6(3) & (4)	A contract may not be modified unless it is in writing and requires a signed acceptance by the insured. If additional premiums are charged for endorsement benefits, the premium shall be disclosed on the policy or certificate.

Notice of Premium Change	R590-126-5(14)	Premium change notification shall be given no fewer than 45 days before the renewal date.
